

REQUIREMENTS FOR ADMISSION – 6 GVM

GENERAL CONDITIONS FOR ADMISSION:

- Full Secondary Education or Full Specialised Secondary Education qualification entitling for higher education study, attested by certificate
- Written entrance exam – Biology and Chemistry (sat in May, June, July and August) – **books of Q&A for entrance exams preparation** available for online purchase on the UVMP website

Application before completion of the previous study:

Applicants who will not complete their secondary school studies at the time of application need to e-mail us the copies of their to-date study records (e.g. academic transcripts, or any other relevant documents). However after the conditional acceptance to the study, we need to view the copy of each applicant's high school leaving certificate prior to their registration to the study and we also ask for the authorized certificate to be submitted to us prior to the registration day.
