***Note 1: Important information - Requirement for certification (apostilization/legalization/superlegalization)**

According to the requirement by the Ministry of Education in Slovakia every applicant must submit the notary authorized copy of the apostillized certificate and its notary authorized translation by a court translator to Slovak language.

Applicants need to get “Apostille” in the original or notary authorized copy of the school leaving certificate (please check with the authority giving apostille). The certificate must be in the official language of the country where it has been issued.

In case the country does not issue Apostille, the applicants must have the documents „superlegalized“. Superlegalization is done by the Ministry of Education, followed by Ministry of Foreign Affairs and finally by the Embassy of the Slovak Republic in that country or in the country which acts on its behalf.

The exceptions are applicants who have completed their secondary education in the following countries: Croatia, Hungary, Germany, Austria, Poland, Romania and Ukraine.

Applicants from the above named countries should provide the notary authorized copy of the certificate and its notary authorized translation by a court translator to Slovak language.

Applicants who have completed their secondary education in Czech Republic don't have to provide certified copy of their High school leaving certificate.

The contact details where to find competent authorities are on the following link: http://www.hcch.net/index_en.php?act=conventions.authorities&cid=41

*Note: Prior to the commencement of the academic year the Office for foreign studies accepts the apostilled certificate in English language (a copy of the original certificate, if not in English, should be posted to us too). The translation of the apostilled certificate into Slovak language can be done in Slovakia after the student's registration. On request, the Office for foreign studies can provide you with details of the company based in Košice offering translation services. The translation should be organized by the student without undue delay and such certificate delivered to the Office for foreign studies after the commencement of the academic year but no later than before the official end of the winter semester of your first year of study at the UVMP in Košice.
