

UNIVERSITY OPEN DAYS CALENDAR 2017

Open days are a great way to find out more about your chosen course.

At our open days you can find out more about our courses taught at our university. We will show you around the campus, take you to visit our university clinics and departments and answer any questions you may have about undertaking the study. The open day starts at 10 am and last for 2-3 hours.

Should you wish to visit us, just select the date from the calendar below and let us know about it at zas@uvlf.sk.

2017

January							February							March							April
