

BSAVA Congress

Leading **veterinary** excellence

3–6 April 2014

Clinical Research Abstracts

Submit your abstract online from
**8 October 2013 –
7 November 2013**

Clinical research is a valued and integral part of Congress and presentations will run concurrently with the main scientific programme on 3–6 April 2014.

BSAVA invites the submission of abstracts (oral or poster) concerning current clinical research and management and nursing practice for presentation at BSAVA Congress.

You are welcome to submit more than one abstract.

All abstracts will be peer reviewed.

Acceptance to present a Clinical Research Abstract either orally or as a poster at Congress 2014 entitles the presenting author to:

- BSAVA Member: **FREE REGISTRATION – Whole Congress**
- Non-member of the BSAVA: **FREE REGISTRATION – Day of presentation only.**

Prizes will be awarded in five categories. Details of eligibility for these awards are on the website: **www.bsava.com/congress**

Poster presentations will be held on Saturday 5 April.

Abstract application
