"Choosing to study at the UVMP in Košice was one of the best choices I have done in my life. Košice is a beautiful city that provides the right balance between excellent education and leisure. The university and its staff provided me with many practical tools and valuable knowledge that helped me kick off my career as a successful veterinary surgeon." Shay Yardeny, DVM – 2018

COGNITIO IANUA SAPIENTIAE • Knowledge - the gate of wisdom
