RECTOR'S DIRECTIVE No. 3/2022

Based on the approved updated measures in connection with spread of SARS-CoV-2 (variant Omicron) according to the Government Resolution No. 119/2022 of February 23rd 2022 I order the following:

1. University employees and PhD students are obliged to comply with all current anti-pandemic measures issued by the Public Health Authority of the Slovak Republic. The use of FFP2 respirators for proper cover of the upper respiratory tract (nose and mouth) and maintenance of a distance of 2 meters from other persons remains mandatory.
2. Thorough cleaning and disinfection of the university premises where students and staff are located.
3. Work from home will be accepted in exceptional cases assessed by the employer.
4. I cancel the Rector's Directive no. 12/2021 of November 25th 2021.

This Directive shall enter into force on February 26th 2022.

Prof. Jana Mojžišová, DVM, PhD, Dr. h. c.
