**ADVERTISEMENT: POSITION AVAILABLE AT CENTRO EQUINO ARCADIA [www.centroequinoarcadia.it](http://www.centroequinoarcadia.it) for 2023 breeding season.**

We are looking for a motivated colleague willing to join our repro and neonatology team for the equine breeding season 2023 with possible continuous collaboration through the 12 months.

**PROFILE:** the ideal candidate will have few years of experience in the repro+ neonatology field confident enough to take care of the foaling and emergencies related and able to follow efficiently the reproductive cycle with frozen semen following our protocols. she or he will have a basic experience in semen collection and handling and in embryo transfer procedures. We like to take a board enthusiastic and friendly people as the breeding season team is sharing shift and accommodations like a family.

**Ecar training alternative path to diploma is available.**

Salary will be set according experience and availability (temporary, continuous)

Accommodation on site.

Please send cv and motivation letter to [g.romano@centroequinoarcadia.it](mailto:g.romano@centroequinoarcadia.it)

We are also offering to new graduates 8 weeks shifts "au pair" (accommodation plus pocket money) to be able to gain the day one skills in all the basic procedures to be performed in our practice with possible future collaboration prospect.
