

FARM ANIMAL

Location

Neufchâteau (Belgian Ardennes)

VET NEEDED

Type of contract

Collaboration (1 year) with view to possible partnership

Are you the Veterinarian surgeon we are looking for to join our growing team?

Tasks

- Responsibility for more than 100 farms (about 13.000 mainly cattle beef)
- Provide a full range first line care for our valued clientele's livestock
- More specific interventions according to skills : various surgeries (including many caesarians sections, tenotomies, rumenostomies, neurectomies, laryngoplasties, limb casting...), feed monitoring and farm quality assessment, some equine work, limited small animal practice (no clinic),
- Cattle foot care and lameness control : professional cattle crush (investment in 2022)
- Pregnancy diagnosing : ultrasound scanner (investment in 2022)

Profile

- You are passionate about rural veterinary medicine
- You like varied work
- You like contact with cattle and farmers
- You like working in a team
- You like the countryside and it's local products (beers of all kind, outdoor activities, picturesque villages,...).

Offer

We offer you :

- A team comprising 4 Veterinary surgeons (60 years old, 56 years old, 44 years old et 32 years old) who will be able to introduce you to the clientele and support you as required
- An attractive salary according to your work and skills
- A collaboration of one year is planned which can then lead to a partnership with share options

Working time

- The calls are equally shared in order to benefit from time off and a minimum of 5 weeks holidays a year
