

ŠVÉDSKO

VETERINÁRI

**EVIDENSIA
DJURSJUKVÅRD**

We have vacancies all over Sweden.

The salary for the position depends on background, specialism, training, location, overtime, weekend shifts (if applicable), etc. Approximately starting salary for just graduates starts around 3000-3200 Euro gross.

The positions are full-time, 40 hours per week. In our animal hospitals we also work evenings, nights and weekends. We offer, 25 days holiday, compensation for wellness, discounts. We are flexible with start date.

We are looking for experienced Veterinarians to several of our clinics in Sweden. We mostly look for veterinarians with experience of small animals but in some locations, we also have a need of equine veterinarians. We value your personal qualities. We are happy to see that you have the desire to develop long-term career with us. You enjoy working in teams, deliver with quality and have a trustworthy attitude. We believe that you are thorough, responsible, communicative with both pet owners and employees and contribute to a pleasant and open work climate. It is important that you learn Swedish to be able to communicate with pet owners and journals must also be written in Swedish. We will support you in your Swedish language education.
