## School of Animal Welfare and Ethics 2025

Università degli Studi di Milano

### Objectives

The Summer School will give all participants the opportunity to interact with young graduates, researchers and professionals from different backgrounds and countries, and to network with people with a strong interest in animal welfare and animal ethics.

Intensive courses, seminars and workshops are designed to provide up-to-date information, stimulating reflection and disseminating knowledge on strategies and policies for the protection of non-human animals in the EU, as well as addressing emerging ethical concerns.

### Deadline
