

Academic year 2025/2026				TIMETABLE								SS		2 GVM new		
DAY	GROUP	7.15 - 8.00	8.05 - 8.50	8.55 - 9.40	9.45 - 10.30	10.35 - 11.20	11.35 - 12.20	12.25 - 13.10	13.15 - 14.00	14.05 - 14.50	14.55 - 15.40	15.45 - 16.30	16.35 - 17.20	17.25 - 18.10	18.15 - 19.00	19.05 - 19.50
Monday	1.				Animal hygiene (P2)	Microb. I. (P2)	Parasit. I. (P2)	Animal nutrition II. (P2)	Pat. phys. I. (P2)				Physiology II. (P2)			
	2.															
	3.															
	4.															
	5.															
Tuesday	1.		Animal hygiene													
	2.		Animal hygiene													
	3.						Animal hygiene									
	4.								Animal hygiene							
	5.				Animal hygiene											
Wednesday	1.		Biochemistry II. (P1)		Physiology II.											
	2.				Physiology II.											
	3.							Physiology II.								
	4.							Animal nutrition II.	Physiology II.							
	5.											Physiology II.				
Thursday	1.		Pat. physiology I.				Microbiology I.									
	2.		Pat. physiology I.		Microbiology I.											
	3.		Microbiology I.		Pat. physiology I.											
	4.						Pat. physiology I.	Microbiology I.								
	5.							Pat. physiology I.	Microbiology I.							
Friday	1.		Parasitology I.		Biochemistry II.		Animal nutrition II.									
	2.		Parasitology I.		Animal nutrition II.		Biochemistry II.									
	3.		Animal nutrition II.		Parasitology I.		Biochemistry II.									
	4.		Biochemistry II.		Parasitology I.											
	5.				Biochemistry II.		Parasitology I.	Animal nutrition II.								

74 students - 5 groups

Compulsory optional subjects: (schedule upon agreement with the subject guarantor in the first week of the semester)

* Food chemistry

Optional subjects: (schedule upon agreement with the subject guarantor in the first week of the semester)

* Training and rehabilitation of horses
